# Testimonials From Our Students

## **ANITA WAGNER, 67 - UISS 2025** **FACULTY AT HARVARD MEDICAL SCHOOL**

**USA**

I loved my 3-week UISS experience! With my adult son, a student at Uppsala University, I took the A1 class. We went from knowing none of the language to loving it. In the mornings, we studied listening, writing, and speaking Swedish – using the textbook, storytelling, songs, and Astrid Lindgren movie clips. In the afternoons, we enjoyed learning about Swedish culture through the lens of Swedish films, purposefully chosen by our teacher, a renowned Swedish documentary filmmaker.

The diverse student community was amazing. Ranging from young adults who just had finished high school to those with grey hair like me, the about 80 students in my session had come for different reasons, from different countries, cultures, language, educational and professional backgrounds – and some were there for their fifth summer. All shared the desire to learn Swedish. I was impressed with the detailed communication from the moment I applied – Nelleke's kind message about other "older adult" students made me feel comfortable - and with the effective, efficient organization of every aspect of the course throughout – from student housing, course books, lunches, evening activities, and Friday excursions to check-out. The dedication of the excellent, cheerful UISS summer staff to a successful, exciting experience for each student was palpable, as was the joy among the students who had chosen to spend their summers creating this diverse ad-hoc community. With much gratitude to everyone.

**MINING ENGINEER IN SWEDEN - GYAMFISETH86@GMAIL.COM**

When some of my colleagues at work recommended UISS to me, I thought it was just like every other Swedish language course until I experienced it for myself for three weeks. UISS provides a conducive environment not just to learn the Swedish language but also its history, arts, and culture during the afternoon classes. The teachers, especially my class teacher, Matthias, took time to help us fill gaps in the Swedish language. It is also worth mentioning that through UISS, I made some friends along the way with other students from around the world who share a passion for learning Swedish. I recommend UISS to anyone, whether a beginner or an advanced learner, who wants to learn Swedish with a great experience.

## **EMMA CHIARELLI, 23 - UISS 2025**

**USA**

**EMMACHIARELLI01@GMAIL.COM**

The UISS program has been a life-changing experience, offering a unique blend of friendship, adventure, and immersion in Swedish language, culture, and society. Though I was nervous at first—it was my first time traveling internationally and I spoke very little Swedish—I quickly found my place among an incredibly welcoming community. Arriving in Uppsala not knowing anyone, I was soon surrounded by people who have become some of my closest friends. The UISS staff foster a warm, supportive environment that makes it easy to connect and feel at home. I was initially overwhelmed in my language class, fearing I was behind my peers. When I shared my concerns with my teacher, he encouraged me to stay with the class, and I am so grateful I did. Henrik is a wonderful instructor—patient with his students and creates an interactive learning environment. In addition to Henrik, I appreciate the encouragement from fellow students and the interdisciplinary structure of the program. I have made remarkable progress in my Swedish.

Beyond the classroom, UISS offers rich cultural experiences—day trips to Stockholm, guided tours, visits to historical sites, music festivals, and the Midsommer celebration. One of my favorite memories is crafting a flower crown from wildflowers for the Midsommar celebration and dancing around the maypole with my new friends. Most importantly, I have made lifelong friends who share a passion for Sweden. My advice: say yes to every opportunity UISS offers. Engage with everyone, explore Uppsala, and fully immerse yourself. The Nations (student-run pubs and restaurants) in Uppsala provided a great way to meet both UISS participants and local students, enriching the experience further. You will come away with new language skills, unforgettable memories, and friends from around the world.

# A Word From the Director

## WELCOME TO THE UPPSALA INTERNATIONAL SUMMER SESSION

I am so happy that you are looking into what our program has to offer and I hope to be able to welcome you to the wonderful city of Uppsala and our program in 2026. Please read this brochure very carefully as it will provide you with all the information you'll need to fill out your application and to prepare for your studies with the UISS in Uppsala, Sweden.

The UISS is a non-profit organization and is completely self-supportive. We teach all classes at Vuxenskolan, a modern facility in the centre of Uppsala.

All teachers within the UISS are qualified to teach at an academic level. The newest teaching methods are applied resulting in an active, motivating and stimulating atmosphere in our classes. Our courses are intensive and are intended for the serious and motivated student.

When learning a language it is also very important to learn about the culture, history and society and we do offer quite a number of those classes.

Our experience is that it is a very good combination to focus on studying the Swedish language in the morning and to do something entirely different in the afternoon. For example the numerous courses we have in which music and/or theater are involved, will teach you much more than just a song or a scene. New horizons will open up and you will be surprised at how much your language skills have improved and you will not only have learned about the culture but sometimes also about yourself.

It is important to organize free time activities along with all the classroom hours, so that our students see something of the country. Equally important to us is to maintain the personal atmosphere that always has been a strength of this program.

Every year about 200 students and professionals from all over the world participate in the UISS. Spending a summer together with people from 40 different countries, ages 18 - 65, with different backgrounds, is a valuable and unforgettable experience.

The weekend trips to Helsinki and Lapland are great experiences, so make sure to take part in at least one of them. Two highlights during the summer are the potluck dinner, to which students bring food that is typical for their homelands, and the farewell banquet. Each three-week session ends with a 3-course dinner or buffet and dance, a so-called "student gasque", where students and teachers perform songs and sketches. The dinners will have a theme. On July 4 the theme will be Vikingar vs. Hipsters. On July 25 the theme will be celebration of diversity. On August 13, we will have a more formal, three-course dinner. The theme is "Dress-up for a party!"

I think the UISS has a lot to offer and I can assure you that you will have a great summer in Uppsala, living as a Swede, as you combine your studies with interesting and fun experiences.

I personally love working with this program as no summer is the same and it is always exciting to meet so many people from all corners of the world with one thing in common: an interest in Sweden, its language and culture. I really love Sweden, so to be able to offer a program that is all about teaching Swedish and all aspects of Sweden is the best job for me.

Please don't ever hesitate to contact me directly if you have any questions. I hope to see you in Uppsala in the summer of 2026. Välkommen!

## Välkommen hit, välkommen hem

**'WELCOME TO UPPSALA, WELCOME HOME'**

Uppsala is a beautiful and lively city during the summer. The frozen Swedes wake up from their hibernation and nature falls into bloom. Numerous events are arranged by cultural organizations, and several of Uppsala University's student organizations - the student nations - open their (outdoor) restaurants, clubs and pubs.

The lake is close by and one will often find our students there on the weekends. Gamla Uppsala offers a look into the history of not only Uppsala, but of Sweden, with remains from the Viking Era and mythical royal graves. And Stockholm with all the capital has to offer is only a 45-minute train ride away.

# Uppsala International Summer Session

## THE UISS PROGRAM

Uppsala International Summer Session is a non-profit foundation that offers summer courses in the Swedish language, culture, history and society annually for **two, three, six and nine weeks**.

Since the founding year of 1963 we have received thousands of students from across the globe. Their motives and backgrounds may vary, but they all have the same goal, to study Swedish. And after completing their studies at UISS they all have one thing in common: increased knowledge in the Swedish language and a deeper understanding of the Swedish culture, society and history. Each year approximately 40-50 former students return to study at UISS. Usually we welcome between 180 and 200 students from over 40 countries to the program.

The intensive UISS courses are taught at a new location, in the center of the city, about 300 meters from the housing facilities.

The teachers are all qualified to teach at an academic level. The teachers in Swedish have an academic degree specifically for teaching Swedish as a foreign language and also work at different universities during the academic year. This guarantees the academic and educational standards of the classes, which in addition to the application of the newest teaching methods, results in an active, motivating, and stimulating atmosphere in the classes.

Swedish is the primary language of instruction. After the first few days, most of the information given will be in Swedish.

Some afternoon classes are taught in English though. On excursions one may choose whether to go with English speaking or Swedish speaking guides.

**WANT TO KNOW MORE ABOUT OUR LEISURE ACTIVITES? FIND OUR PRELIMINARY SCHEDULE ON OUR WEBSITE UNDER 'ACTIVITES AND TRIPS'!**

## THE AIM OF THE PROGRAM

- To give the participants a unique opportunity to learn Swedish in a Swedish environment.
- To inform the students about the cultural, political and social life in Sweden.
- To give the participants the opportunity to meet international students from 40 countries. This should increase understanding among people from all over the world.

## THE DIRECTOR

Drs. Nelleke Dorrestijn. She has been the director of the program since 1990. Nelleke is in charge of the overall organization and the administration of the program. She is also chairman of the board of the UISS and responsible for all personnel matters. Nelleke works all year round for the UISS.

# Course Information

Classes are scheduled 4 days a week, Monday through Thursday, with a minimum of 5 lesson hours a day in Swedish.

The morning classes are language studies, with a basic orientation into cultural and social patterns and characteristics, traditions and customs, integrated into the teaching material.

We offer 9 levels of Swedish language classes based on the six levels in the Common European Framework of Reference for languages, learning, teaching and assessment (CEF). Utlandssvenska ungdomar (18-26) can choose to take Svenska för utlandssvenska ungdomar, see description on the next page.

In the afternoon our students have the opportunity to learn more about Sweden and the Swedes through cultural, historical and social studies. These classes are often more interactive and while they teach different subjects, our students will, in most of these classes, also increase their vocabulary as well as improve their conversational abilities and pronunciation.

What classes you are eligible for depends on your level of Swedish. Please follow the instructions on page 9 and take the placement test before submitting your application.

## The Language Courses

### BEGINNERS TO ADVANCED Levels A1-C2 (10 levels)

We offer all levels of Swedish during the entire 9 weeks of the summer sessions. The students are placed in classes based on their result on the online placement test and the name of the class corresponds to the level of Swedish obtained.

### SVENSKA FÖR UTLANDSSVENSKA UNGDOMAR - AGE 18-26

*Only for the 3, 6, and 9-week sessions,  
for those with demonstrated  
conversational skills of B1 and higher.  
Scholarships available, please see  
information on page 15.*

The focus is on the continued development of written, oral and literary skills. The writing part includes spelling and general rules. Different aspects of grammar are being dealt with so that the student will be able to produce grammatically correct texts. Writing exercises are both free writing assignments as well as writing under strict directives. Vocabulary needs to be enhanced so that the student can express himself in a varied and precise manner. The student will learn this through discussions as well as individual presentations. Listening and reading comprehension are also part of this course.

### MEDICAL SWEDISH Level C1

*3-week course designed for people  
that aim to work in Sweden and who  
have a foreign education in health  
care with a medical certificate.*

The aim of the course is to be able to pass the C1 level Swedish language test required by the National Board of Health (Socialstyrelsen) and to develop language skills in medical Swedish.

In this course, next to the regular Swedish language skills, the following will be addressed: vocabulary and terminology, symptom descriptions, patient reviews, patients' anamneses, common Swedish pharmaceutical skills, language exercises, explanation of word formation and common abbreviations in the field of medical care.

## DETERMINING YOUR LEVEL OF SWEDISH

The UISS teaches Swedish language courses in accordance with the Common European Framework of Reference (CEFR). CEFR consists of six levels, from A1 to C2, but we have created sublevels so the levels fit our 3-weeks courses. Students generally complete one level per 3 weeks. Levels are A1, A2 and A2+; B1, B1+; B2, B2+, C1, C1+ and C2.

The language levels describe a student's proficiency in the Swedish language after completion of that level. For example: as a complete beginner you would start in level A1 and before going into level A2, you must have attained the proficiency of A1 as described by the CEFR. A full description of these levels can be found on <http://bit.ly/32LO0qe>

### CEFR LEVELS:

A1 - complete beginner  
A2 - beginner  
B1 - lower intermediate  
B2 - higher intermediate  
C1 - advanced  
C2 - very advanced

## THE PLACEMENT TEST

To ensure that our students are placed in the correct level, we ask all applicants with some knowledge in the Swedish language to take an online placement test prior to submission of the application form.

The test can be found at [www.uiss.org](http://www.uiss.org) > **Application > Placement Test**.

Please do not use any help from books or other people. Do not just guess. If you really have no idea what the answer should be, then leave it open. This is merely a tool for us to help you get the most out of your studies here at UISS. Once in Uppsala, a short assessment will take place in class, both in oral and writing skills. After the first day, a few students may be moved to a more suitable level.

If you have studied Swedish on your own, without any teacher guidance, then please inform the director of this when sending the test results.

### Arts in Sweden

This course deals with the history of art, architecture and design in Sweden. Spanning the best part of the last millennium, it provides a comprehensive overview of the historical development of the art of the country from the Middle Ages to the present. Through visits to historically interesting sites and museums, the students get the chance to see the result of Swedish artistic production of different ages. These visits are complemented by lectures and seminars. The location of Uppsala is ideal: there are many historical sites and its proximity to Stockholm provides the possibility to numerous visits there.

### Den svenska välfärdsstaten - sanning eller myt? Från nivå B1+

Kursen ger en överblick över välfärdssystemet samt en god inblick i centrala sociala frågor och begrepp. Översikten börjar med den rådande ekonomiska och politiska situationen i det svenska samhället. Tonvikten ligger på den svenska välfärdsstaten. Vi kommer att undersöka svensk arbetsmarknad, jämställdhetspolitik och de politiska partiernas syn på den offentliga sektorn och välfärdspolitik. Målet är att du efter avslutad kurs ska ha fått en god inblick i hur den svenska modellen fungerar, dess brister och fördelar, dess möjlighet att överföras till andra system samt hur framtiden för den svenska välfärdsstaten ser ut.

### Förbättra din svenska med hjälp av drama/musik/improvisation - Från nivå B1

Vill du träna ditt uttal? Behöver du handledning i hur du enkelt hittar de ord du behöver? På den här kursen får du träna ditt svenska uttal och förbättra ditt språkliga flyt. Vi gör det genom många lustfyllda övningar i drama, musik, gestaltning och artikulation. Vi kommer att sjunga svenska sånger, läsa sagor och dikter, arbeta med sketcher och dramaövningar. Vi tränar på betoning, taltempo, fraserings och den svenska språkmelodin. Mål för utbildningen är att förstärka självförtroendet i språkinläringen, träna vardaglig kommunikation, öka ordförrådet och förbättra intonationen.

### Gender and Sexuality in Scandinavia

In this course, we will begin with an exploration of Scandinavia's Modern Breakthrough, a literary movement that used social realism to critique, among other issues, gender inequality and sexual freedom. We will then trace the trajectory of Sweden's progressive attitudes toward gender equality and sexuality by looking at changes in the home, media, the arts and government. We will also question our perceptions of Scandinavia as a sexually progressive region and how this informs our own understanding of sexuality. The aims and objectives of this course are to gain factual knowledge about literary, historical and political events in Scandinavia that helped to shape today's ideas of gender and sexuality, and to gain a broader understanding and appreciation of issues affecting sex and gender equality.

### History of Modern Sweden

This course will introduce students to Swedish history from a Swedish perspective. The constitution and development of Swedish identity and self-perception are topics incorporated into lectures. Lectures alternate with fieldtrips. The time span covered stretches from the end of the Scandinavian Ice Age (12 – 10 000 BC) to the foundation for the Swedish Welfare State. Nordic Mythology, Sweden's years as a great power and the Post-War era are all among the historic segments that are highlighted.

## Modern svensk litteratur - från nivå B2

Kursen syftar till att ge deltagare en inblick i modern svensk litteratur från 1800-talets slut fram till idag och väcka intresse för den svenska litteraturen. En rad författare och texter kommer att presenteras kronologiskt utifrån teman. För att ge en bredare bild av den svenska litteraturen har författare valts utifrån olikheter i aspekter som perioden de var aktiva, deras kön, geografiska ursprung, sociala hemvist och genretillhörighet. Varje kursdeltagare läser en modern svensk roman, vilken presenteras vid sista seminarium.

## Prata Poesi - en muntlig litteraturkurs

Är du litteraturintresserad, men har inte riktigt tid att läsa, och vill hellre träna hörförståelse, uttal och samtalsfärdighet? Då är en muntlig litteraturkurs perfekt. Här tränar du på det muntliga, samtidigt som du får lära känna en av Sveriges mest framstående författare: Karin Boye (1900-1941). En gång i tiden uppsalastudent har hon senare fått ge namn åt ett av universitetsbiblioteken här: Karin Boye-biblioteket. Som feminist, homosexuell, politiskt medveten, och filosofiskt och andligt intresserad är hon fortfarande en inspirationskälla och förebild för vår tid. Boyes dikter har en klassisk form och tematiserar de stora livsfrågorna. Varje lektion läser vi högt en dikt, där du får slipa fram det bästa uttalet, tolka och förstå innehållet ihop med andra och samtala om diktens filosofiska och existentiella teman. Radio/film-dokumentärer om Karin Boyes liv och verk kommer att sätta texterna i ett sammanhang. Såväl lektionsaktiviteter som läxor och examinationer kommer att vara muntliga. Syftet är att du ska bli säkrare på muntlig svenska, samtidigt som du får lära dig något om svensk litteratur.

## Svensk kultur och samhällsliv - Från nivå B1+

Den här kursen är bokstavligen en promenad genom Sveriges historia, dess kultur och samhällsliv, ute på Uppsalas gator. Vi rör oss ute varje dag efter en förmiddag i klassrummet. Vi upptäcker platser som är förknippade med Uppsalas och Sveriges utveckling på olika områden. Det är lektioner med en guidad tur där ni studenter också kan delta aktivt på olika sätt. Varje tur har ett specifikt tema och alla promenadvägar är olika. Inför varje tur får ni förberedande texter att läsa. Vi går i ett lugnt tempo och gör flera stopp, men det är samtidigt viktigt att tänka på att vi går kanske 4000-6000 steg per dag. Tanken är att ge dig möjligheten att se mycket av Uppsala under din tid här, samtidigt som du lär dig mer om svensk kultur och samhällsliv och förbättrar din svenska. Eleverna går till fots i session 2, men kommer att cykla i session 3

## Svenska visor och svensk folkmusik. Från nivå A2+.

Kursens syfte är att låta deltagarna komma i kontakt med olika former av svensk folkmusik.

Kursdeltagare som spelar ett instrument välkomnas att ta med dem. Visor har en prominent plats i folkmusiken och vi kommer att sjunga en hel del - dels folkmusik ur spelmanstraditionen och dels visor av kompositörer/diktare ur den svenska visskatten såsom Bellman, Taube, Ferlin, Dan Andersson. Korta föreläsningar om stilar och kompositörer.

## Sweden: From the Cradle to the Grave - a 21st Century Welfare State

The aim of this course is to introduce students to Sweden, Swedes and living in Sweden. Theoretical perspectives are combined with more hands-on information. The course will include classroom discussions, fieldtrips (various institutions) and guest lecturers. This course might also be useful for those who plan for an extended stay in Sweden.

## Swedish Pop Music & Musical Theater

This course aims to improve the speaking and intonation of Swedish through singing and acting. Part of the course will be analysis of songs, correct pronunciation of the lyrics. Short lectures on the background of productions and artists will be given, but foremost you will be learning how to connect with the Swedish language, by singing and acting, exploring in a different way. This course is for everyone who likes to sing, act, or just likes to do something completely different. No experience in singing or acting required.

## The Swedish Film

The course will provide concise and informative insights into Swedish film. We will look at the work of Ingmar Bergman, who was born in Uppsala, and also study the work of new directors such as Lasse Hallström, Colin Nutley, Lukas Moodysson and Josef Fares. Examples of popular film genres specific to Sweden will be studied as well as documentaries. The social and historical contexts to these films will be presented so the course can be considered as an historical overview of Sweden through moving images.

## Walking with Sweden's Icons: Culture, Society & Innovation

Discover Sweden through its most inspiring minds. In this interactive three-week course, you'll explore Swedish culture, history, literature, and science through walking tours, museum visits, and creative, interactive activities. Each week focuses on one remarkable figure connected to Uppsala University:

**Selma Lagerlöf** – Beloved author, the first woman to win the Nobel Prize in Literature, and honored by Uppsala University with an honorary doctorate for her literary achievements.

**Dag Hammarskjöld** – Uppsala alumnus, UN Secretary-General, and Nobel Peace Prize laureate, symbol of integrity and global responsibility.

**Carl Linnaeus** – Uppsala's world-famous scientist who transformed biology by classifying and naming the natural world.

The assessment will not count for more than 25% of the final grade, which will be received after the final exam at the end of a 3-week session.

## CERTIFICATES AND CREDITS

You will probably land at Arlanda Airport, halfway between Stockholm and Uppsala. Take the ARLANDA-UPPSALA bus or the train to Uppsala and get off at the trainstation.

## Arrival in Uppsala and check-in

Upon arrival in Uppsala, take a short walk to Kungsgatan 27. There you will be requested to pay **1 000 SEK / 120 USD / € 100** in cash as a room deposit in order to get your room key. The room deposit will be reimbursed to you in cash on the day of your departure, provided your room is clean and has no damages. Rooms will be ready for occupancy after 09.30 hrs on arrival days only. Earlier check-in will not be possible at all.

## Arrival times

Sundays **June 14, July 5 and July 26** between 09.30 and 16.00 hrs. It is important to arrive within the given hours, as an information meeting will take place at 16:30, followed by a welcome dinner at 18:30.

## Late arrival

If you arrive at other times/dates, please e-mail in advance, specifying your date/time of arrival. You will then receive instructions on how to proceed. Students arriving after 18.30 hrs cannot check into their rooms, but should book a hotel room for the night. It is better to arrive a day early and stay at a hostel for one night than to arrive after 18.30 hrs.

## Check-out times

Fridays **July 3, July 24 and August 14** between 09.30 and 12.00 hours.

Please book a flight that leaves after the check-out.
